Question:What is the total amount spent on Q1 orders?

Tables:Table 1Table 2 (click to expand)

Gold answer:12 847.32Model answer:12 847.32

Reasoning:Step 1: Filter orders where quarter = 'Q1'. Step 2: Join with amounts table on order_id. Step 3: SUM(amount) = 4 210.00 + 5 381.12 + 3 256.20 = 12 847.32 Final answer: 12847.32
